WHO WE ARE

One team for the entire border lifecycle.

ISN Customs Broker International simplifies cross-border trade. Licensed U.S. customs brokerage and integrated logistics — compliant shipments, predictable costs, freight that keeps moving. One team. One invoice.

01 Customs Brokerage

Licensed U.S. entry filing — ACE, ISF, AES, FTZ, in-bond, reconciliation, and bond services.

02 Freight Forwarding

Northbound and southbound movement by land, air, and ocean.
HAZMAT-certified, cross-docked.

03 Logistics & Warehousing

CBP-bonded warehouses, bonded yards, contract logistics.
Forklifts and heavy equipment, 24/7.

DEL RIO, TEXAS

One of the busiest commercial crossings on the U.S.–Mexico border.

WHAT WE DO

Three integrated pillars. One team. One invoice.

Customs clearance, freight movement, and bonded storage — orchestrated under a single accountable point of contact, the way cross-border trade should work.

SERVICE 01

Freight Forwarding

Northbound and southbound cargo by land, air, and sea. HAZMAT-certified transfers. Cross-docking.

AES Export

Automated Export System filing for U.S. outbound shipments.

FTZ

Foreign Trade Zones

Entries under FTZ status to defer or reduce duty.

IB

In-Bond (QP/QX)

Bonded movement of merchandise between U.S. ports.

RC

Reconciliations

Post-entry reconciliation, GO, and Blue Letter responses.

TIB

Temporary Imports

TIB entries for goods entering the U.S. on a temporary basis.

ACH

ACH Payments

Automated Clearing House statements and customs bond management.

AIR FREIGHT

SERVICE 02 · FREIGHT FORWARDING

Moving cargo across borders, oceans, and skies.

We coordinate the physical movement of your goods across the U.S.–Mexico border and beyond — trucking, ocean, and air freight under one accountable team. One invoice. No handoff gaps.

Northbound & southbound transfers

- Daily cross-border movements at Texas ports of entry
- Dedicated lanes for time-sensitive shipments
- HAZMAT-certified transfers with full DOT/CBP compliance

Air freight, origin to destination

- Coordinated international air cargo from global suppliers
- Time-critical handling at major U.S. gateways
- Door-to-door visibility and customs pre-clearance

OCEAN

Ocean freight & port coordination

- FCL and LCL ocean coordination worldwide
- ISF 10+2 filing pre-loaded against every booking
- Drayage and cross-dock at U.S. ports of arrival

ONE INVOICE

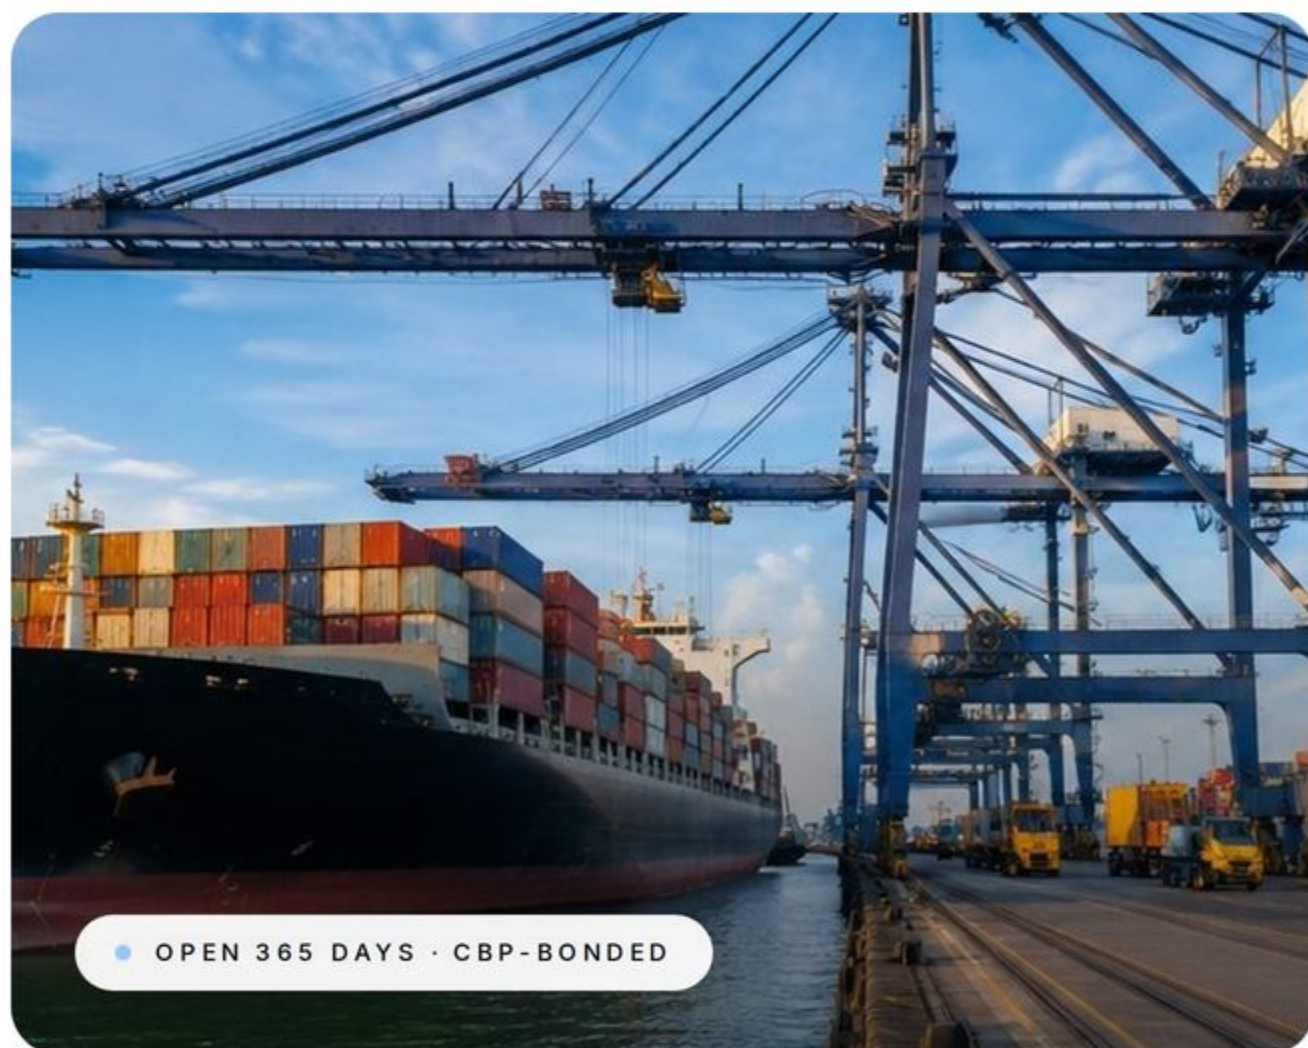

Land, air, ocean — coordinated under one accountable team.

SERVICE 03 · LOGISTICS & WAREHOUSING

Bonded facilities, always open.

Secured CBP-bonded warehouses and yards, contract logistics, and bonded carrier capability — with forklifts and heavy equipment on-site, 24/7, 365 days a year.

OPEN 365 DAYS · CBP-BONDED

01

Bonded warehouses

CBP-bonded indoor storage with cameras, access control, Class 1-11.

02

Bonded yards

Outdoor bonded storage for heavy equipment, tanks, oversized cargo.

03

Contract logistics

Dedicated programs tailored to ongoing client requirements.

04

Bonded carrier

Licensed in-transit movements between U.S. ports.

05

Heavy equipment

Forklifts, cranes, and top-loaders. Trained operators on standby.

06

Cross-docking

Trailer-to-trailer transfers. Minimal handling, less dwell time.

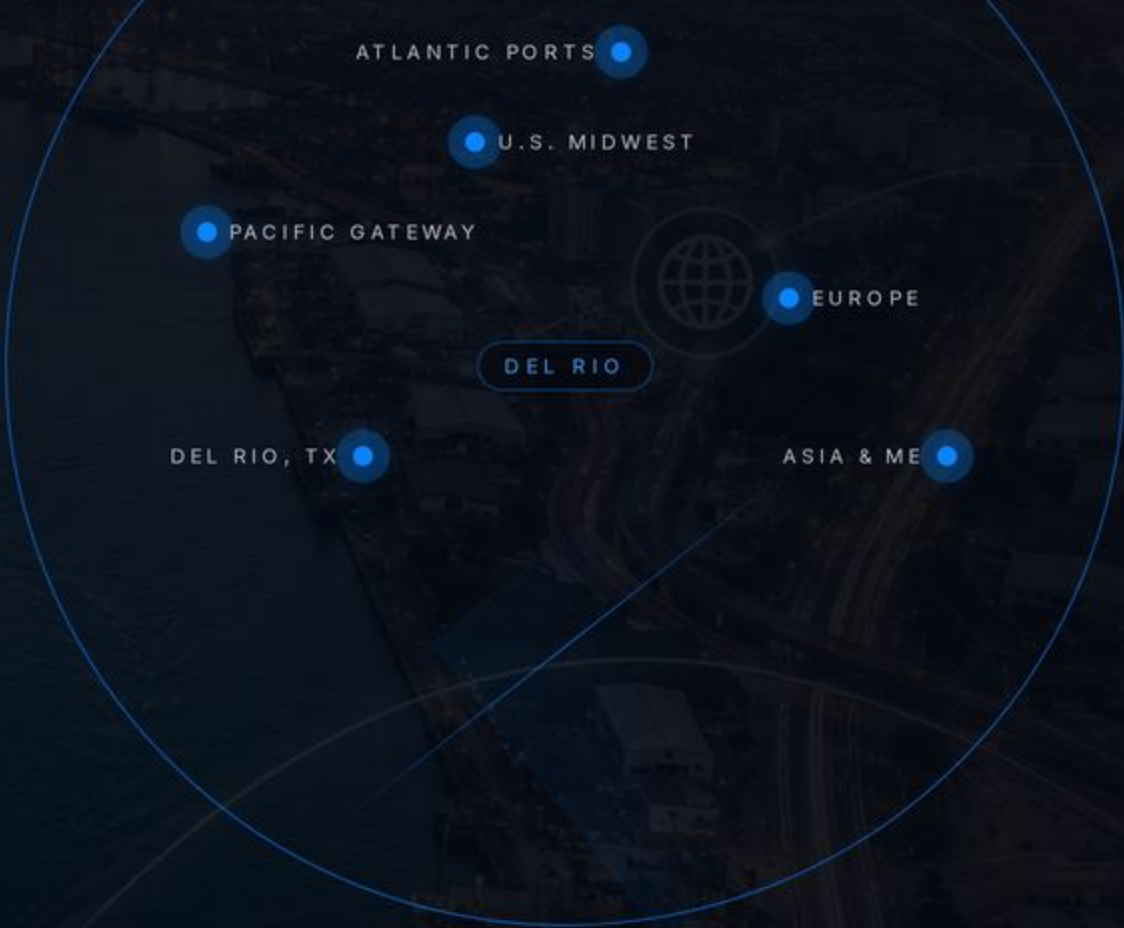

GLOBAL NETWORK

A border hub

with global reach.

Headquartered at one of the busiest commercial crossings on the U.S.–Mexico border, ISN clears and coordinates cargo at any U.S. port — and connects it to origin and destination markets on every continent.
